

Thank you - Mr. MESSIAH FURIDASHI Drift Cyber Sport For 30 years, the Japanese game manufacturer KONAMI has become a legend in gaming. Today KONAMI is the world's No.1 publisher and developer for the PlayStation®4 and Xbox® One, also is the leading publisher of Nintendo Switch. With a history as deep and rich as a vintage wine, KONAMI's continuous innovations never cease to amaze. Thanks to its large number of hits, KONAMI can proudly claim many of its own original franchises such as the wildly successful Mario franchise, as well as a number of others that are successful worldwide like the Forza series, the highly popular Blue Dragon series and the Dynasty Warriors series. KONAMI has also created two major video game series for Nintendo's own home consoles, the Super Mario series and the popular Pokémon series. MESSIAH®, is one of the leading gaming industry business management company that provides game publishers and developers with consulting services, products and services to ensure the success of their games. New Game In The Series DOKUZU SINGLE PLAYER • 3 VERSIONS The classic and well-known 2D role-playing game for the Nintendo Entertainment System and Super Famicom. The player travels through the Dokutake World to the netherworld to help the ghostly girl in her fight against the evil Vampires. Play in both of the game modes: Classic mode which retains the original Nintendo Entertainment System graphics, or the new high-definition graphic version of the game which features upscaled graphics for the Super Famicom. Both game modes offer unique challenges and original gameplay. Wakka 2 3 DASHBOARD VERSIONS One of the most popular, addictive and exciting games, a universal fun for players of all ages. The player helps the creature in the hunt for food and collect 3 treasure chests as fast as possible. In addition to the regular gameplay, three game modes are available: Game mode with 3 minutes of playtime, 1 min. and 1 SECONDS Game mode. Each mode offers its own unique difficulty. Wakka Unleashed The game mode offers several different variations of gameplay. The core gameplay remains the same, however, the character skills and weapons can be unlocked and upgraded, through player progress
