## Just Cause 2 Trainer 3dm 12

Hi guys, this is Rick from Thrifty Gamers, here is a short video for Just Cause 2. The trainer allows you to do anything... except one, you can't kill policemen. I don't know why people want to do this, but I can't imagine how it works given that this is a game that tries to make it as realistic as possible. But I have a couple of questions about this coach. I want to kill one cop, but the coach says it's impossible. I don't think it's because the game isn't realistic enough, or because I don't play it. I can't seem to kill one of them.
