Q: VisualSVN Server Repositories Count Hello i can not check the number of repositories on my VisualSVN Server. How can i count them? Thanks in advance! A: Open VisualSVN Server Manager, then click 'Services' tab. Click 'Repositories' and take a look at the number of servers there. [VS2010 screenshot] [VS2008 screenshot] A: VisualSVN Server Manager will display the total number of VisualSVN Servers in the servers' tab when clicked. The Supreme Court will hear arguments Tuesday over whether the justices can consider whether Republican-appointed justices on the U.S. Court of Appeals for the 5th Circuit in Houston are too favorable to the religious liberty of opponents of same-sex marriage. The case, filed by Texas Tea Party group Liberty Institute, contends the so-called "en banc" review should be granted because of the 5th Circuit's treatment of the case. Three Republican-appointed judges wrote the court's first major opinion on same-sex marriage last year in which they rejected the claims of two of the leading same-sex marriage opponents, the Alliance Defense Fund and the Liberty Counsel, by a 2-1 margin. In March, the 5th Circuit referred the case to the full court, effectively putting all 13 Republican-appointed judges on the case at stake and prompting the filing of the Supreme Court petition by Liberty Institute. But the full court denied that petition. The justices will hear the Texas case on Tuesday at 10 a.m. In a case from New Mexico, Liberty Counsel won a 5-4 decision from the same court – and from three Republican appointees. The Supreme Court allowed the case to proceed, and a liberal-leaning majority of the court struck down a part of the federal Defense of Marriage Act that defines marriage as between a man and a woman. "The 5th Circuit's willingness to accord no deference to the states in gay-marriage cases is of no small concern to the states and their citizens," said Jonathan Turley, a professor at the George Washington School of Law. "In her dissent, Judge Edith Jones made this quite clear," he said. "She argued that the 5th Circuit judges were closing the courthouse doors to the states' right to define their own marriage without any

When you search for Photoshop brushes, you often come across brushes made by someone called 'Freepik.net', not the fact that it's a Free website worth mentioning. Also look for brushes that look like shapes, circles, and other elements to make a seamless background. You may also want to use the Whirl filter to make a seemingly seamless background. The filter is in the Pen tool and you can find more tips in this video about the pen tool from Adobe: Stroke Paths You can use a pen tool and paint or trace around your image to create a path that leads to a specific part of your image. This is very useful for making seamless backgrounds and creating object masks. Add Elements Another useful feature in Photoshop is called the 'add element tool'. If you see your image is made of one color, it may be useful to add red or blue or yellow, for example, to lighten or darken that part. This works best for backgrounds. In this tutorial, you'll learn how to create seamless backgrounds. The great thing about photoshop is that it's very easy to make seamless backgrounds. First, create a new document and a layer with the blank background, then go to image/place and use the pattern for a seamless pattern. Then, go to image/adjust/levels and black out everything except the background, except for the parts that you want to create a pattern. You can also use vignettes, a popular filter for creating seamless backgrounds. Tutorials Create a seamless Photoshop background using a texture. There are two different seamless backgrounds. And learn how to create seamless background. Intro Creating a seamless background with textures is an easy Photoshop tutorial! It's fun and easy to create a seamless backdrop.
